CD-Series

“Curb-Typed” Traditional Dome Skylight

One-piece seamless outer dome guarantees no leaks

Maximum Energy Efficiency

Multiple pane construction provides maximum insulation.

Anti-Fogging

Unique ventilation system prevents fogging and condensation.

Leak Proof Design

The “CD” series skylight “fits like a bottle cap” over the curb.

Polycarbonate Panes

Unbreakable polycarbonate panes protect against damage and intrusion.

UV Protection

High-tech engineered polycarbonate blocks over 97% of ultra-violet light.

Easy Installation

Skylight comes with pre-punched flanges and is complete and ready to mount over curb.

Tinted Outer Pane

Heavy polycarbonate in rich, smoke color. The tinting reduces unwanted solar gain and fading.

Optional Features

Additional panes installed for maximum insulation. Non-tinted clear, Outer pane.

FOXLITE LIMITED LIFETIME WARRANTY

All FoxLite Skylights have a Limited Lifetime Warranty to protect the original purchase against defects in material and workmanship. FoxLite's warranty covers our skylights against cracking, breaking or splitting provided the FoxLite Skylights are installed and maintained in accordance with the manufacturer's instructions. FoxLite, Inc. is not responsible for faulty installation or for other materials used in the installation(s). If a problem occurs within the first five (5) years after installation, FoxLite's Limited Lifetime Warranty will supply another skylight of similar size, type and color, FOB destinations. Any problem occurring after five (5) years, FoxLite will supply a new skylight of similar size, type and color for 50% off the current list price of that item, FOB Shipping Point.
